

# Denstone College Sixth Form Open Morning

Saturday 12th January,  
10.00am for 10.30am

Call 01889 591415  
for more information

Please join us for an opportunity to sample some of the Enrichment and Extension Curriculum on offer here at the College, and meet key Sixth Form staff. There will also be time for tours and advice from our Head of UCAS and Careers on education, A level choices and degree courses.

This is an informal opportunity for you, your sons and daughters to ask any questions you have about a Sixth Form education at Denstone. Students and prefects are on hand to give an insight into the experiences available at a school like Denstone

If you would like more information, please call Jade or Louise in Admissions to hear more about the Open Morning. They will be delighted to help. There is absolutely no commitment involved; just give us a call and come along.

Denstone, Staffordshire ST14 5HN
